MANUKA LANE®

## Rejuvenating Night Cream

with Argireline, Rosemary, Manuka Honey

Made in New Zealand

Net 50ml | 1.69fl. oz e

**Manuka Lane Rejuvenating Night Cream** contains New Zealand Manuka Honey, Peptides (Acetyl Hexapeptide-8), Vitamin A (Retinyl Palmitate) and a range of natural extracts. Manuka Honey has properties that assist in removing blemishes. It also helps balance the skin's pH and contains amino acids which slough away dead skin cells, helping to keep pores clear. Acetyl Hexapeptide 8, which is also known as Argireline, is a peptide compound that reduces the appearance of wrinkles. Vitamin A is effective in repairing skin damage.
